# GMMC 2022

Ranglistenfaktor: 1,2

July 16<sup>th</sup> / 17<sup>th</sup>, 2022  
at WSG Gelderland e. V.

## Rating

The number of races is open and is determined individually for each race day. After every 5 completed races, a discard is made in the evaluation.

## Parking / storage / sanitary facilities / accommodation

Enough parking spaces are available on site.  
Storage facilities for the MMs and accessories are available.  
A toilet is also on site.

Parking spaces for mobile homes are available on the club premises.  
Hotels and guesthouses are also available in the area.

## Programm

The WSG Gelderland e. V. makes its infrastructure (kitchen, coffee machine, refrigerator, grill) available to us for the Regatta. We organize the catering ourselves at cost price.

As an orientation, the prices of the last year:  
Dinner €10 per person / Breakfast €5 per person

For the supporting program (provision of food etc.), we ask that you state the number of people including accompanying persons when registering in the forum.

We would be pleased if you could help us to organize the event - please also indicate this when registering.

## Disclaimer

This regatta is a meeting of friends of (model) sailing. Any kind of participation or related activity is at your own risk. Neither the persons involved in the organization and execution of the regatta, nor the host club WSG Gelderland e. V. assume any liability.

## Data protection

For the organization of a Micro Magic Regatta the necessary data (last name, first name and sail number of the participants) will be collected and processed. During the regatta, results, computational and optical evaluations, also in the form of race analyses, will be assigned to the participants and published. This is done in the form of participant, start and result lists on the website or in the forum of Micro Magic Germany or in notices or on the website of a sports club involved in the organization of the regatta.

Anyone who enters or participates in a Micro Magic Regatta agrees to the processing and publication of their data to the extent outlined above.

During a Micro Magic Regatta, photos or videos may be taken.

# GMMC 2022

Ranglistenfaktor: 1,2

**July 16<sup>th</sup> / 17<sup>th</sup>, 2022**  
**at WSG Gelderland e. V.**

For the promotion of the (model) sailing sport these data, texts, photos, and videos can be published on the website or in the forum of the Micro Magic Germany or these can be transmitted to print and tele media, electronic media or the sports club involved in the organization of the regatta.

Commercial use of these data, texts, photos, or videos is prohibited.

Participants may object in writing to the publication of individual photos of themselves at any time. Upon receipt of the objection, no further publication or transmission of the individual photo will take place and it will be deleted from the website or the forum of Micro Magic Germany.

### **Additional notes because of Corona**

The corona protection regulations of the state of NRW valid at the time of the regatta apply. Therefore, please observe the then currently valid Corona-related rules of conduct.

Participation in the regatta is prohibited if symptoms of illness such as fever, cough or headache are present. This also applies if there has been contact with a person suffering from COVID-19 in the last 14 days. Persons who belong to a risk group are asked to refrain from participation.

Please keep to the applicable distance rules during the regatta.

Each participant, including accompanying persons, must carry a mouth protection (surgical mask or FFP2 mask) and be able to put it on if necessary.

Each participant and accompanying person has full vaccination protection or is considered recovered (2G regulation) and carries the appropriate proof.

Unless otherwise required, all participants and accompanying persons will enter their first and last name, zip code and a telephone number in a list of participants on site. The data will be kept under lock and key and destroyed after 30 days. This information is used for contact tracing purposes as well as to be able to inform participants in the event of COVID-19 disease occurring among those present.

Use of the Corona Warning app on a smartphone carried at the regatta is encouraged.
