**Introductory information**

The number of participating Micro Magic sailors has decreased significantly in recent years. Therefore, we have decided to simplify the admission process for the Euro Cup:

- We are no longer using the previous selection procedures in collaboration with national team coordinators.
- However, interested sailors must have a sail number from their nation.
- Registrations from interested sailors will be accepted regardless of their national rankings.

**Registration**

- Registrations are now being accepted and can only be made via email.
- The email address for registration is [mmsailinginternational@gmail.com](mailto:mmsailinginternational@gmail.com)
- The deadline for registrations is August 1, 2025, at midnight.
- The maximum number of participating boats is 40.
- Participation in the Euro Cup will be allocated on a first-come, first-served basis.
- Registrations will be confirmed immediately by email, provided the requirements for participation are met.

**Rules**

- Micro Magic 2020 International Class Rules
- Sailing instructions EC MM 2025 based on the current ISAF RRS 2025-2028 (Appendix E)
- The Sailing Instructions MM EC 2025 will prevail in case of conflict with these rules and/or the NoR.
- The participating boats will be checked against the MMI class rules.

#### **Sail Number**

The race committee must be able to assign each competitor a unique sail number (normally the national sail number) before the start of the championship.

All competitors are required to use the sail number declared at registration, unless otherwise requested by the organizing committee.

If two or more competitors have the same sail number, the competitor whose name is higher in alphabetical order will retain their sail number; the other boat must prefix their sail number with a 1, 2, etc., until the conflict is resolved.

#### **MMI - Meeting**

A short MMI meeting organized by the MMI office will take place during dinner on Saturday evening. The agenda includes the next European Championship venue and possibly other topics.
